

Description

4 Window Glass Barn Door with black metal frame suitable for any wall-mounted application. Available in clear or frosted glass. Frosted (privacy) glass ideal for bathrooms or other areas requiring visual privacy. See dimensional drawing for sizing recommendations. Suitable for use in both professional and residential applications.

Glass

Full 1/4in thick, tempered for strength and safety. Clear or Frosted (Acid Etch.)

Frame

Proprietary aluminum extrusion finished in matte black industrial-strength powder coat suitable residential or commercial applications. 1" wide x 1-1/4" thick frame size. No visible screws or fasteners.

Track & Hardware

All parts are precision-made steel construction, finished in matte black industrial-strength powder coat. Track is 1-1/2in tall, 1/4in thick. Oversized roller wheels ensure the smoothest roll possible. Adjustable door stops (left + right) can be placed at any point along the track. Small floor guide provided to keep the door aligned. Anti-jump feature prevents door from coming off track. All necessary mounting screws and hardware included for installation and operation.

Made in the USA.
