

Description

Single Pane Glass Barn Door with Anodized Aluminum Frame suitable for any wall-mounted application. Integral surface-mounted lock. Available in clear or frosted glass. Frosted (privacy) glass ideal for bathrooms or other areas requiring visual privacy. See dimensional drawing for sizing recommendations. Suitable for use in both professional and residential applications.

Glass

Full 1/4in thick, tempered for strength and safety. Clear or Frosted (Acid Etch.)

Frame

Proprietary aluminum extrusion with brushed satin anodized finish for durability and pristine finish. 1" wide x 1-1/4" thick frame size. No visible screws or fasteners.

Track & Hardware

Precision-made, machined and polished (satin finish) stainless steel. Track is 1in diameter. Oversized roller wheels ensure the smoothest roll possible. Adjustable door stops (left + right) can be placed at any point along the track. Small floor guide provided to keep the door aligned. All necessary mounting screws and hardware included for installation and operation.

Handle Options

- None
- Front Side: 16in Round Pull Handle, Stainless Steel.
- Rear Side: 13in Flat Pull Handle, Stainless Steel.

Handle Options
